

God of this great story what happens now?

Lord thank you for our time together in worship and fellowship, for places to breathe and see your light. We thank you for all we have and all the ways in which you enable and resource us for your work. We pray for your Spirit to fill and guide us on to your way.

Lord in your mercy
Hear our prayer

God of this great story how do we serve you now?

Help us Father to understand your guidance and wisdom. That we know your call and the ways we can answer in very being. We pray for those times when we feel lost and struggle to hear your will through the business of life. Oh still small voice of calm.

Lord in your mercy
Hear our prayer

God of this great story Who needs our support now?

We pray for the sick and the dying that they may know your hand upon them. We pray for all those who have been affected by Covid 19; for those who struggle with isolation and the restrictions, for essential workers and those not knowing how they will continue financially. We pray for foodbanks and community support groups.

Lord in your mercy
Hear our prayer

God of this great story where do we go now?

As restrictions lift and we can venture further into the world we serve we ask where you are calling us too and how we can reach out in your name. We pray for all longing to hear of your great story and where they fit into it. We pray that we may serve you in our journeys and talk of you on our way.

Lord in your mercy
Hear our prayer

Merciful Father accept our prayers for the sake of your son our saviour Jesus Christ
Amen
